OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 115-2016

To: Mayor Martin Packer and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: June 10, 2016  
Subject: New Beach Shower Installation

The purpose of this Letter to Council (LTC) is to provide you with information regarding the installation of the previously requested beach shower at the Southeast terminus of 96 Street (East of Collins). This project is a joint venture between Bal Harbour Village and the Town of Surfside. Village staff installed the necessary water service connection and the Town of Surfside staff constructed the shower base and provided the installation of the beach shower assembly.

The location of the beach shower allows residents and visitors to shower and remove beach sand without having to walk back through the sand to access the sidewalk. The maintenance of the beach shower assembly will be the responsibility of the Town of Surfside, while the Bal Harbour Village Parks and Public Spaces staff will maintain the water line that feeds the beach shower.
