OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 135-2016

To: Mayor Martin Packer and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: July 8, 2016  
Subject: Hazardous Household Waste and Electronics Items Drop-Off Event

The purpose of this Letter to Council (LTC) is to provide you with information regarding the upcoming hazardous household waste and electronic items drop-off event that will be held in the parking lot of Village Hall on Sunday, July 24, 2016 from 9:00 a.m. until 1:00 p.m.

This will be an opportunity for residents to drop off hazardous waste, batteries and electronics that cannot be disposed of in the Village's regular garbage or recycling receptacles. Many products in our homes, such as oil-based paint, solvents, pesticides and pool chemicals are as hazardous as industrial chemicals. When these products are disposed of improperly, they can pollute our drinking water. Therefore, for the convenience of our residents, hazardous items or electronics can be dropped off at this planned semiannual Village event, or alternatively, throughout the year at an appropriate Miami Dade-County disposal facility.

This information will also be transmitted within the July Bal Harbour Village Newsletter.

For further information regarding this event, please contact John Oldenburg directly.
