OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 166-2016

To: Mayor Martin Packer and Members of the Village Council
From: Jorge M. Gonzalez, Village Manager 
Date: September 12, 2016
Subject: **Bal Harbour Village Sponsored Pilot Basketball Program Presented by Warriors Basketball Academy**

The purpose of this Letter to Council (LTC) is to provide you with information related to a new Bal Harbour Village sponsored Pilot Basketball Program to be provided in conjunction with Warrior Basketball Academy beginning September 12, 2016 at Bal Harbour Park.

Recently I met with Bal Harbour resident Ms. Deborah Portnoy and Parks and Public Spaces Director, John Oldenburg to discuss the possibility of initiating a pilot basketball program for children in Bal Harbour Park. Ms. Portnoy explained that she is in contact with several residents who expressed a desire to bring in a basketball coach from Warrior Basketball Academy for a fee to be paid by participants to conduct a pilot basketball programming for our resident children.

I agreed that this would be an opportunity to address an expressed need of our resident children and we have decided to begin this pilot program to test the concept of sponsoring these activities when the need is identified.

The Village will be sponsoring the pilot program with an in-kind participation by providing the program with use of the basketball court during the program period and assistance in promoting the program to our residents. The program provider, Warrior Basketball Academy, supplies Amateur Athletic Union (AAU) certified and insured coaches and all required equipment. Additionally, all fees for the coaches are paid by the individual participants.

The pilot program will utilize the basketball court within Bal Harbour Park for two hours a day, two days a week, Mondays and Wednesdays from 5:00 pm until 7:00 pm for the next two months. The attached flyer provides the specific details regarding the age groups and times.

For further information regarding this project, please contact me or John Oldenburg directly.
