Weekly Summary Report

Weekly Code Enforcement Efforts
Narrative / Comments
<p>Code Enforcement in conjunction with Public Works continues to check the entire Village for areas of standing water in regards to Zika virus prevention efforts. They continue to visit all construction sites at least twice weekly, maintaining contact with the contractors to immediately address areas of concern. A code warning was issued to the Suntrust Bank for a dumpster in disrepair. Additionally, two warnings were issued inside the Bal Harbour Shops to Michelli and Brodson Construction for dumpsters which were left uncovered after work hours. All other construction sites were found to be in compliance this week.</p> <p>Efforts continue within the Gated Community; a code violation was issued to a property after they failed to correct graffiti after being warned last week. An appearance code violation was issued to a construction site. Also, a water heater was found to have been illegally dumped near a vacant lot. The code officer coordinated with our solid waste provider to have the water heater removed expeditiously.</p>

Noteworthy Incidents

The incidents listed below are included in the above totals.
However they are sufficient interest to be noted.
