## Bal Harbour Village Utility Replacement Project – Phase I

### Construction Advisory

#### What's New:

On Thursday, June 2, the contractor for the Bal Harbour Utility Replacement Project began pump station preparation work within the sodded area located at Bal Bay Drive and Harbour Way.

On Monday, June 6, the contractor will begin the pump station installation work. This work will last approximately six weeks. While this work is underway, all travel lanes will remain open.

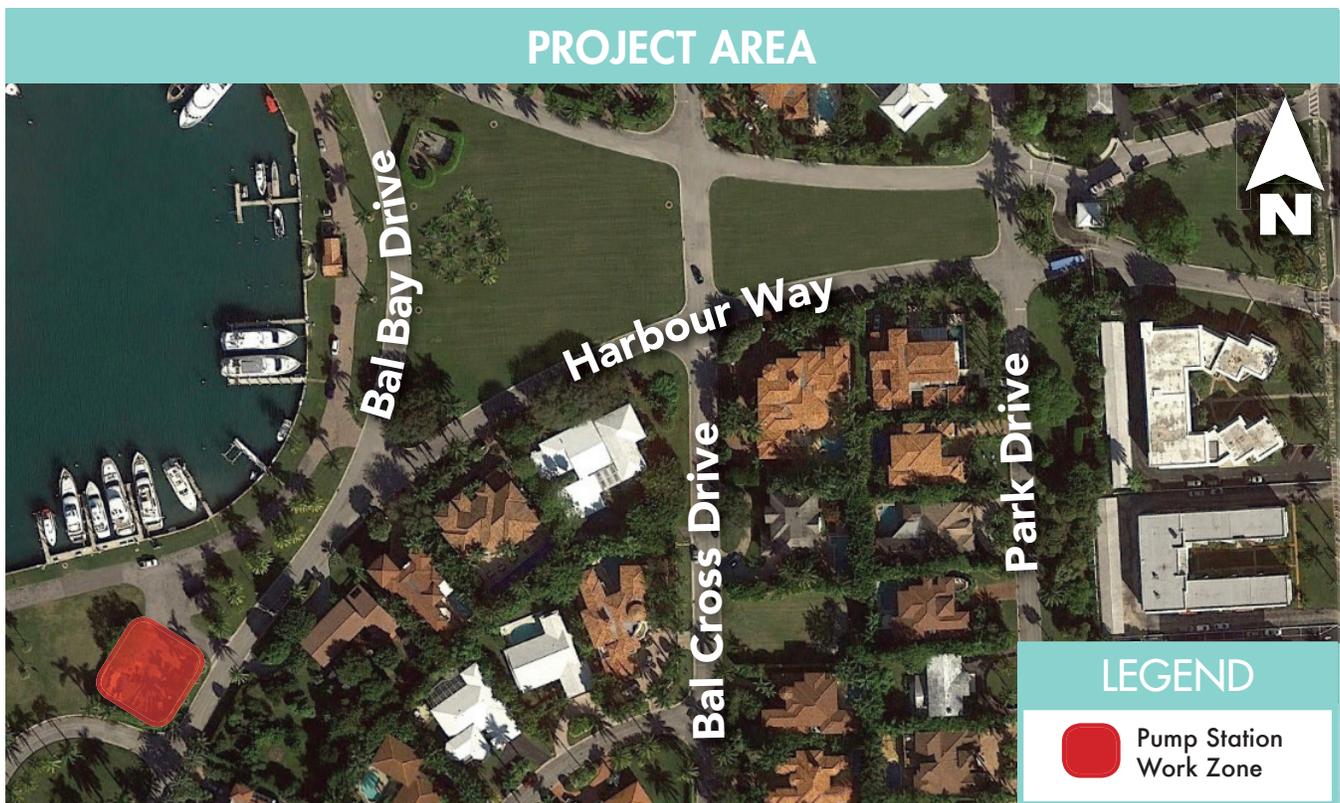

This schedule is subject to change due to weather, special events, or unforeseen circumstances.

#### What to Expect:

- Pedestrian walkways and access to driveways will be maintained at all times
- Daily restoration will occur
- Access to emergency vehicles will be maintained at all times
- Heavy machinery and crews in and around work zone
- Dust and noise. The contractor is required to water and sweep the area daily

#### Work Schedule:

Hours of operation are from 8:30 a.m. to 5:00 p.m., on weekdays and subject to approval on weekends.
