Bal Harbour Village Utility Replacement Project – Phase I

Construction Update: Week of September 26, 2016

Public Meeting:

On Wednesday, October 5, 2016, the Bal Harbour Village and Metro Equipment Service Inc. will host a community meeting from 6 p.m. to 8 p.m. at Village Hall to discuss the next phase of construction. The project team will also be available to answer any questions.

Upcoming Work:

During the week of September 26, 2016, the contractor for the Bal Harbour Utility Replacement Project will continue the following improvements:

- Compacting the road to prepare for upcoming road restoration along Harbour Way between Bal Bay Road and Bal Cross Drive.
- Installing the gravity sewer line along Harbour Way towards Collins Avenue.

Beginning mid to late this week, Bal Cross Drive will be closed at Harbour Way. Traffic will be detoured throughout the area. This closure will be underway for approximately one week.

This schedule is subject to change due to weather, special events, or unforeseen circumstances.

What to Expect:

- Pedestrian walkways and access to driveways will be maintained at all times
- Daily cleanup of work zone
- Access to emergency vehicles will be maintained at all times
- Heavy machinery and crews in and around work zone
- Dust and noise. The contractor is required to water and sweep the area daily

Work Schedule:

Hours of operation are from 8:30 a.m. to 5:00 p.m., on weekdays and subject to approval on weekends.
